ELLIS ISLAND IMMIGRATION MUSEUM
EVENTS AND CATERING

the place

Today's visitors to Ellis Island retrace the steps of twelve million immigrants who approached America's "front doors of freedom" in the early twentieth century. The restored Great Hall now houses the Ellis Island Immigration Museum, dedicated to commemorating the immigrant's stories of trepidation and triumph, courage and rejection, and a lasting image of the American Dream.

Following a brief ferry ride from either Battery Park in lower Manhattan or Liberty State Park in New Jersey, the entire Museum is yours to explore at your leisure while cocktails and hors d'oeuvres are served. Exhibits and interactive displays tell the stories of where the immigrants came from, what they brought with them, and what became of them. No one leaves the museum unaffected by its power and beauty.

the cuisine

Catering at Ellis Island is provided by ARAMARK. Whether you are planning a VIP business breakfast or a black-tie gourmet

dinner, you will find that our combination of world-class location, cuisine and ARAMARK service cannot be equaled.

the benefits

After a cocktail reception in the **Baggage Room** and **Peopling of America** exhibit areas, your guests will dine sumptuously in the

Registry Room, which has been magically transformed into a warm and gloriously lit private event space for groups of up to 1,000. Receptions for larger groups can be arranged by combining the **Baggage Room**, **Peopling of America**, and the **Registry Room** areas of the Museum.

Daytime **Continental breakfasts**, **buffet luncheons** of up to 80 people, or **receptions and meetings** of up to 100 people may be held in the **Ellis Island Conference Room**.

Tented events on the Lawn or within the **American Wall of Honor Circle** can also be arranged.
